# Dear Customer

Dear Customer,

Heritage has saved the best for last. This fourth quarter HNWJ is loaded with choice coins from around the world. This list is highlighted with many excellent values from old collections that will whet your appetite.

The diversified gold section offers coins to fit every pocketbook. For the gold specialist we can offer the extremely rare Mexico Oaxaca 60 Pesos of 1916 in choice AU for only \$13,750. This rarity is not offered in the text of this catalog.

The small but important group of Latin coins includes both quality and rarity. Our selection of French coins is the best to be found in this country. If quality and German coins are high on your list then you won't be disappointed with our fantastic offering of Proof and BU coins from an old collection. The world coin section is filled with choice and seldom found coins from many countries.

We urge you to take advantage of the quality and value to be found in this catalog. Remember, we pay the postage, offer a free 90-day layaway and take most major credit cards.

I want to briefly mention the state of activity at major coin shows and auctions. The A.N.A. in August at Atlanta was outstanding for choice and better foreign coins. European buyers were eager to take advantage of the cheap dollar and Americans bought quality, quality, quality. Only the purchase of several large collections has enabled us to restock after the A.N.A. The Long Beach show in September was excellent for gold and related world coins with dealers stocking up for the fall and winter. Our Long Beach auction was strong in world gold with most other coins selling at or above auction estimate. Other recent European and American auctions have reported similar results.

**What's Hot** - Gold in general with Japan leading the way, Norway All issues, Swiss All issues, Latin All true rarities and BU coins in general that catalog in Krause \$200 and up.

**What's Not Hot** - Austria, Greece, Eastern European issues in general, European Talers 1500-1800 in Fine or Average circulated condition, colonial Latin issues common or scarce in VG to VF, and Pandas.

Heritage is also proud to announce we have been selected to hold the official A.N.A. Mid-Winter auction in Little Rock, Arkansas as well as the official ANA auction in Cincinnati, July 20-24, 1988. These will be two excellent opportunities to consign foreign coins. Contact Louis Collins for further details.

Thank you for your consideration and all the best.

Sincerely,

Louis H. Collins  
Manager World Coin Division

## OUR GUARANTEE

All coins purchased from Heritage Rare Coins Galleries are covered by an unconditional 10-day return privilege.

It is guaranteed that all coins sold are genuine. If you request auction for liquidation, Heritage Numismatic Auctions, Inc., after acceptance, will catalog your coins at the same grade which you purchased them.

*Each and every coin sold by Heritage is graded at a minimum on both the obverse and reverse, according to the grading standards practiced by the Numismatic Certification Institute (an affiliated company). It should be understood, however, that grading is an art and not a science, and opinions on grading and value can and often do differ between experts as well as other grading services. The purchaser is therefore encouraged to carefully inspect and evaluate all coins during this 10-day period. This guarantee applies to all purchases after November 24, 1986.*
